

Rodolfo Pike

RN, BN, MN, NP

Congestive Heart Failure Clinic

Health Science Centre

St. John's, NL

Rodolfo Pike has been working with cardiac sciences for 20+ years. He has held many roles within the cardiac/critical care program: staff nurse, clinic educator for cardiology and the cardiac catheterization laboratory. He currently works as a nurse practitioner in the Heart function clinic with Eastern Health. Rodolfo has and continues to present on heart failure related topics at both local and national conferences. Rodolfo has had his research presented at local, national and international conferences. His work has also been published in peer review journals.
