

**Serge Lepage**

MD, FRCPC, CSPQ

Full Professor

Director, Heart Function Clinic

Department of cardiology, Université de Sherbrooke

Past President, Quebec Heart Failure Society

Sherbrooke, QC

Dr. Serge Lepage is currently a Full Professor in the Cardiology Department at the Université de Sherbrooke (CHUS).

He is active in cardiac rehabilitation and is Director of the Cardiac Insufficiency Clinic. Dr. Lepage graduated from the Université de Sherbrooke in 1985 and, since his residency in 1990, has been working at the CHUS as a Cardiologist specializing in Echocardiography. He has done ground-breaking work in cardiac insufficiency, angina and hypertension. He has published more than 26 articles and 28 abstracts. He is a member of the board of several committees, including the ACMDP (Quebec Association of Physicians, Dentists and Pharmacists). Dr. Lepage was President of the Quebec Heart Failure Society from 2009-2014.
