

**Stephanie Poon**

MD, MSc, FRCPC

Medical Director, Heart Function Clinic

Cardiologist, Sunnybrook Health Sciences Centre

Assistant Professor, University of Toronto

Toronto, ON

Dr. Poon is a cardiologist and Assistant Professor at the University of Toronto. After completing her fellowship training in Cardiology, Advanced Heart Failure/Transplant and Adult Echocardiography at the University of Toronto, she obtained a Master of Science in Quality Improvement and Patient safety from the Institute of Health Policy, Management and Evaluation. She is now the Medical Director of the Heart Function clinic at Sunnybrook Health Sciences Centre and is a member of the Canadian Cardiovascular Society Heart Failure Guidelines committee. Her research is focused on improving, standardizing, and evaluating the quality of care that heart failure patients receive.
